Silly girl, wasn't you a silly girl?  
Silly girl, what have you done now?

You ran away on a train to Crewe  
Such a silly thing to do  
Your parents are worried about you  
Time you changed your attitude

Silly girl, wasn't you a silly girl?  
Silly girl, what have you done now?  
I'm sitting alone in a quiet room  
Trying to write a letter to you  
It's only me who understands  
Girl I'll always hold yor hand

Silly girl, wasn't you a silly girl?  
Silly girl, what have you done now?
