Even when the sky is grey  
The sun will have the final say  
So take another look outside

And when you think you've seen it all  
And when you think you've lost it all  
Just take another look outside

I'm not the man who paints the rainbows  
I'm not the man who makes the stars glow  
I'm not the man who paints the rainbows  
I'm not the man who paints the sunshine yellow

So take a trip out to the sea  
Or to the singing ringing tree  
But take another look outside

You're satisfied with who you are  
You're satisfied with what you are  
Take another look outside

I'm not the man who paints the rainbows  
I'm not the man who makes the stars glow  
I'm not the man who paints the rainbows  
I'm not the man who made the sunshine yellow

No, no, no  
No, no, no  
No, no, no

I'm not the man who paints the rainbows  
I'm not the man who makes the stars glow  
I'm not the man who paints the rainbows  
I'm not the man who made the sunshine yellow
