Enta in de dance, Plug it in an we begin

Crowd up in de centa, Dey watch (be dibidim)

Watch da way we drop it in a mix timin'

Rise and amplifyin' when we come in wit de swing

Just followin-da-back an natrally harmonizin'

Climb into position wit synchronized thi-ngs

Live from out da ghetto, We maximize it

Sound-o-da Groove Armada, We Supastylin'

We Supastylin'...(2x)

(Chorus)

Sometime...Can you feel de pressure does unwind
(sound wierd)

Sometime...

Sometime...Tru de day and tru de night

Sometime...

Sometime...You can make our pressure does unwind
(this too)

Sometime...

Sometime...Its for your spirit and your mind

Sometime...

One time lyrics that must stick on ya mi-ind

Pop a bass line, I'll go (prop on propay)

My MC supa, I'll go double on de right
