VERSE ONE

Getting high on popsicles and
Barley and hops. Hooligan.
Good citizen, come back to Earth.

Swoop down and snatch me tonight
Magic. Juju. Firefly.
Good citizen, save me from Earth

CHORUS

3-2-1 we misbehave and
Galavant, rant and we rave and
Crash up and out, crash up and
Crash up and out, crash up and

3-2-1 we misbehave and
Make a mess all over creation
Crash up and out, crash up and
Crash up and, up and out of here.

VERSE TWO

Giggle at the moon Â'til weÂ're sick
Assemble stars in a mosaic
Good citizens above the ground

Swoop down and save me tonight
Magic Juju Firefly

Pounce on the clouds and countdown..

CHORUS 2

3-2-1 and we misbehave and
Galavant, rant and we rave and
Crash up and out, Crash up and
Crash up and out, crash up and

3-2-1 we misbehave and
overthinking is overrated

Crash up and out, Crash up and
Crash up and out - up and out of here.

CHORUS 3

3-2-1 and we misbehave and
Galavant, rant and we rave and
Crash up and out, Crash up and
Crash up and out, crash up and

Here lie all the losers and the haters
overthinking is overrated
Crash up and out, Crash up and
Crash up and out - up and out of here.
