Enik :

Cement shoes on the sticky floor
I'm still walking in an old wracked house
Without a door
Noone's talking

Pssst...
Pssst, quiet and enjoy the show
And if the show is bad
Don't let me go
Don't leave me sad
Don't leave me sad

I really want to take care of you now
I forgot my name
I really want to dissappear while im loving you
I forgot my name

Save me
What else should we do now
(tell me, tell me)
And i save you
What else should we do now
(tell me)

Cars, trafficlights, boardwalkjazz
The street is my body
This town is my body
A strangers face
Touch my chest
Noone knows you
Noone knows me

I really want to take care of you now
I forgot my name
I really want to dissappear while i'm loving you
I forgot my name

(voice fx part)

Save me
What else should we do now
(tell me, tell me)
And i save you
What else should we do now
(tell me)

(kanon with refrain:
Cement shoes, i'm still walking
Sticky floor, noone's talking)

I still miss you
