Tes :

Wanna tes drive  
Hop in my testarossa  
Sound kit down control crews no chauffer  
Whipping corners windows down tes spitting  
Hitting spots forbidden g-shock no skipping  
Bqe to both ends tes beats in the backround  
The dirtiest tracks hiss raps smackdown  
Hit a bump bounce like hydrolics  
Gas low no cash flow wallets screaming feed me  
dollars  
Double park jackson chase  
Off to hess goes tes fill me up with the best  
Fuel for fame license plates  
Tight breaks nothing accidental  
Engine most fine tuned unlimited potential  
Bust through road blocks surpass where the road stops  
Four wheel drive voice command look ma no hands  
Still in command park where i rest  
Till i start with the next  
Doors lift up flip up fly text  
That's right it's tes catch my testarossa  
Seen em all come close  
They all got driven over

Peep my testarossa right there with mercedes  
In a snapshot car and driver rap plot  
Enduro gold to turbo tes  
Pop a face for cassettes  
Oil change and free wash alpine scents  
Leave sirens out the rearview oil slicks and smoke  
As far as i'm concerned they could all choke  
You could be a spy hunter with a word bond like james  
Ain't no tracing my trails invisible lanes  
Super getaways db cooper  
Give plenty chase  
Nitro means you still can't see me trooper  
This is the game of life demolition deface mics  
On some yes yes all yee hah no ramps  
Just a push of my thumb

Leaping canyons on some evil and son  
Auto chute help me land wheels on sand  
Wheels that float a chopper to propell on note  
Driving on beats that are broke  
You can eat my dust hear me reving grand prix  
Indy five tight grip atari fuck ferrari  
It's my testarossa
