## Enik:

Faces without a name
You're lost in your thoughts
Pictures without a frame
And there is no gravity
I've been missing you
Where did you sleep
In the deep blue sea
Would you die for me
No
Well, then i have to go

You know thoughts are just like clouds

If you're sad and lonely
Like a poet
Cause you are poet, you just don't know
Paint the streets in black and white
Like a poet
Cause you're a poet

Every wave subsides And if you know You can start to dance On a different show 1,2,3,4,5,6,7,8 1,2,3,4,5,6,7,8

You know thoughts are just like clouds

If you're sad and lonely
Like a poet
Cause you are poet, you just don't know
Paint the streets in black and white
Like a poet
Cause you're a poet

You are not the only dust in space Who doesn't feel allright tonight But you're a poet

## She loves you
