Black or white, no shades  
Freedom's got a price to pay  
System, System has failed

You are the only one  
Who can stop the rain

HAVE A NICE DAY

Ã¢#128##156#the new, loud, necessary way of live"

I feel so alive today (I feel so alive today)  
'Cause I was dead 'til yesterday  
I feel so alive today (I feel so alive today)  
'Cause I was dead 'til yesterday HAY! HAY! HAY!!

Paradise's so far away  
Paralyze me once again  
Please, please move that damn queen

'Cause you're the only one  
Who can stop the rain

HAVE A NICE DAY

"be the first or be the last, it's your choice dude!"

I feel so alive today ( I feel so alive today)  
'Cause I was dead 'til yesterday  
I feel so alive today ( I feel so alive today)  
'Cause I was dead 'til yesterday
