Album: New Tattoo (2000)

Fake, fake, fake  
Fake, fake ,fake

Spent a million dollars on amphetamines Crashed a lot  
of cars  
Fucked all the stupid stars in Hollywood Because I  
could, because we could

So you loved to hate us in your private jets Funny how  
you bitched and moaned  
'Cause you got fat and rich  
And when I'm dead  
All you'll put on my headstone is that

I'm so fake  
I'm a dirty little bastard  
Fake  
I was always so plastered  
Fake  
So why'd you say it's true  
Looks like I'm fake just like you  
Fake  
I'm a dirty little whore  
Fake  
I'm everything and more  
Looks like I'm fake  
Just like just like you

Fake, fake, fake

40 million records and going strong  
Never won a Grammy  
Still won't play along in Hollywood  
Like we should

And I'm so fake  
I'm a dirty little bastard  
Fake  
I was always so plastered

Fake  
So you say it's true  
Looks like I'm fake just like you  
Fake  
I'm a dirty little whore  
Fake  
I was always such a bore  
Fake  
So ya say it's true  
Looks like I'm fake  
Just like you My diamond rings and cocaine binges  
All strung out on your syringes  
Sold my soul while you sold records  
I have been your slave forever

Hey, what are you fat cats doing anyway?  
Take our money and flush it down the drain

You're so fake  
You're a dirty little bastard  
Fake  
You're always so plastered  
Fake  
So you say it's true  
Looks like I'm a fake like you  
Fake  
You're a dirty little whore  
Fake  
You're always such a bore  
Fake  
So you say it's true  
Looks like I'm a fake just like you

Fake  
I'm a dirty little bastard  
Fake  
I was always so plastered  
Fake  
So ya say it's true  
Looks like I'm fake just like you  
Fake  
I'm a dirty little whore  
Fake  
I'm everything and more  
Fake  
So ya say it's true  
Looks like I'm fake just like  
Looks like I'm fake just like  
Looks like I'm fake just like  
Just like you
