Babys long and tall, man shes got it all, shes alright  
Alright  
Hips have got a sway shakin it my way, it alright  
Alright

Full-bodied curves, with her legs she serves, oh yeah  
Oh yeah  
Lips that say it all, turn and hear her call, oh yeah  
Oh yeah

(pre-chorus)  
Aint no cheap and nasty liquor dripping down her vine  
Taste of golden honey, sweet as candy money  
Bottle it up and make her mine

(chorus)  
Give me a taste of your fine, fine wine  
Ruby sticky, sweet as summertime  
Let me taste you fine, fine wine  
One more drink gets me feeling alright

Were here for the show, let your passion flow, its o.k.  
O.k.  
We aint gonna stop, so throw away the top, its  
O.k.  
O.k.

(pre-chorus)(chorus)(chorus)
