I don't care now what I do  
'cause I am just a fool like you  
Get my way now everyday  
I take all I can get just like you  
Just like you

Back in ya face  
Such a disgrace  
We're the generation swine  
A rat race from outerspace  
Gonna blow your mind  
Gotta get away, gotta get away  
Aggravation gotta blow my brains  
Gotta blow my brains  
We're the generation  
I want more, it's not enough  
We get our thrills  
Right from this stuff  
So my mind's a sewage sump  
It's smelling bad and  
Out of luck  
Just like you  
Back in ya face...  
Such a disgrace  
We're the generation swine  
Gimme no lip  
Here comes my fist  
I don't need it this time  
Gettin blown away, gettin  
Thrown away  
Degeneration  
This here songs for you, the  
Doomed welcome my fools to  
The planet boom  
Thinkin' that I'll grab my space  
Gun leave this place right  
Now for the zoom  
Gimme some space  
Get outta my face  
We're the generation swine  
Don't need your lip

Your ignorance  
We're the generation  
Always on the run  
New sensation  
Wanna go insane  
Gonna go insane  
We're the generation swine
