I saw a girl, she was walking down the street
She was sellin' Holy Bible, lordy
She was lookin' at me. yeah
She said you know, boy, I can save your soul
For a price I'll have you knockin' on heavens door
But I, Get it for free
She said, invest in the lord and you'll invest in me
I said I, I get it for free
I, I, I, I get it for free
Done gone, but I forgot
For got what she was selling
I really took me something back
How to get to heaven,
But I, I get it for free
I got an angel in the back and she gives it to me
Well I, I Get it for free
I, I, I,
I get it for free
Come on back when you have something to sell
That I don't already have
Maybe you'll come back when my old lady
Is out of town
Then I'll take you straight to heaven
I, well I get it for free
Well I, I, I'
I want it for free
I, I get it for free
I, I, I,
I get it for free
Well I'm not asking
I, I take it for free
I, I, I,
I get it for free
I said I,
I get it for free
I said I, I, I,
I get it for free
I, I, I,
I get it for free
I said I,
I get it for free
