You say you love him your life is cruel Somebody needs you someones a fool Well I did everything to make you see You were the only one for me Just be aware I dont care

I still remember what you dont know
We should have been there honey I wont go
I took you anytime, anywhere
Its so expensive baby I dont care
Just be aware
I dont care

So say your prayers

I dont care if you need me
I dont care if you dont
I dont care if you believe me
Cause Im sure that you wont
You can have all my money
Ive never been unfair
I dont care

You say he loves you That may be true Honey I got something Thats good for you
