Hes the wolf screaming
Lonely in the night
Hes the blood stain
On the stagep hes the tear in your eye
Been tempted by his lie
Hes the knife in your back
Hes rage
Hes the razor to the knife
Oh lonely is our lives
My heads spinnin
Round and round
But in seasons of wither
Well stand and deliver
Be strong and laugh and.....
Shout at the devil
Hell be the love in your eyes
Hell be the blood
Between your thighs
And then have you scream
For more
Hell put strength
To the test
Hell put the thrill
Back in bed
Sure youve heard
It all before
Hell be the risk in the kiss
Might be anger on your lips
Might run scared
For the door
But in seasons of wither
Well stand and deliver
Be strong and laugh and..
Shout at the devil
