SHE got an alligator bag
Top hat to match
Dressed in black on black
SHE got a Philipino girlie
She claims is her friend
I tell you boys, you just gotta laugh
Now I used to call her Cindy
She changed her name to "Sin"
I guess that's the name of her game
WELL I really used to love her
BUT THEN she discovered
It's got to be a sexual thing

NOW all around the world
Girls will be girls
It's the same ol', same ol' situation
It's the same ol', same ol' ball and chain
I say no no no
No no no

Introduced me to her lover
In a cellophane dress
Then they bid me a sweet farewell
Last time I saw them
They were kissing so softly
To the sound of wedding bells

WELL all around the world
Girls will be girls
It's the same ol', same ol' situation
It's the same ol', same ol' ball and chain
Just like a punch in the teeth
Or a swan dive to the street
