Music by Nikki Sixx
Lyrics by Nikki Sixx & Vince Neil

Here I come
My mind is set
Get ready for love
You're my ten second pet

Verse:
Touch my gun
But, don't pull my trigger
Let's make history
In the elevator
Or lock the door
Shine my pistol some more
Here I cum
Just ten seconds more

Chorus:
Ten seconds to love
Ten seconds to love
Pull my trigger
My guns loaded with your love
Ten seconds to love
Ten seconds to love
Just wait honey
Till I tell the boys about you

Bring a girlfriend
Maybe bring two
I got my camera
Make a star outta you
Let's inject it
Photograph it
Down to the subway
Let the boys have it

Chorus:

Talk:
Reach down law

Slide it in real slow
I wanna hear your engine roar
Before I'm in the door

Solo:

Talk:
You feel so good
Do you want some more
I got one more shot
My gun's still warm

Chorus:

Talk:
Was it hot for you
Did you fire this round
The second I'm through
I'll be leaving this town
