I heard some kids telling me  
How theyve lost all the faith in the way  
Theyve been talking world peace  
And the wars in the streets  
The lines on their faces so deep  
A revolution, or reach out  
And touch the day  
Were overdue child  
Change  
Now its time for a change  
Nothing stays the same  
Now its time for a change  
I feel the future in the hands  
Of our youth will be safe  
No more lies  
Old, tired fools tell our future  
With tarot cards, and lie of crime  
The lines on their faces so deep  
A revolution, or reach out  
And touch the day  
Were overdue child  
Change  
Now its time for a change  
Nothing stays the same  
Now its time for a change  
Ill change  
Ill change  
Not tomorrow but today  
Change  
Now its time for a change  
Nothing stays the same  
Now its time for a change
