You say our love
Is like dynamite
Open your eyes
cause its like fire and ice
Well youre killing me
Your loves a guillotine
Why dont you just set me free

(chorus)
Too young to fall in love

Run for the hills
Were both sinners and saints
Not a woman, but a whore
I can just taste the hate
Well, now Im killing you
Watch your face turning blue
Not yet a man
Just a punk in the street

(chorus)(solo)

You say our love
Is like dynamite
Well its no surprise
Cause youve got one way eyes
Well youre killing me
Youre loves a guillotine
Not yet a man
Just a punk in the street
