"Pressure To Stay Together"

Visit "[Pressure To Stay Together](#)" on MotoLyrics.com

Look at me we're just hanging on by a thread
Could it be something more in your heart, in your head
We don't need this pressure this unnecessary pressure
To stay this way forever lets be honest for a while

We should only be together if it's just for fun
And you don't need to call me with your sympathy
I'm done, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I, I, I

I recall, when the days
Were so simple, were so easy
We could do anything with our time
And be happy
We never had this pressure this unnecessary pressure
To stay this way forever lets be honest for a while

We should only be together if it's just for fun
And you don't need to call me with your sympathy
I'm done, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I, I, I

I don't recognise you, this is not like us
It's getting way to serious it's not worth the fuss

We should only be together if it's just for fun
And you don't need to call me with your sympathy
I'm done, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I'm not the one
I, I, I, I, I, I, I

I don't recognise you, this is not like us
It's getting way to serious it's not worth the fuss

Cause' I'm not the one
