(You can dance) x4

One day there won't be somebody
There to hold you hand
If you can't do it by yourself then nobody can
If you give yourself one more chance
See you can prove me right

But you say no, so we go
Round and round and round and round

Yeah you can dance
If you wanna do it
If you wanna do it
Yeah you can dance
Put your body to it
Put your body to it
It doesn't matter 'bout the things you do
And no it doesn't matter 'bout the things you say
Yeah you can dance
If you wanna do it
Put your body to it
And dance

It's like your scared of crossing an
Imaginary line
But if you just convinced yourself
You would be fine
Forget about the boundries now
Cause' they're all in your head

But you say no, so we go
Round and round and round and round

Yeah you can dance
If you wanna do it
If you wanna do it
Yeah you can dance
Put your body to it
Put your body to it
It doesn't matter 'bout the things you do

And no it doesn't matter 'bout the things you say
Yeah you can dance
If you wanna do it
Put your body to it
And dance

All the hesitating it drives me up the wall
I'm so sick of waiting
Don't be scared to take the fall
You don't have to think about
All the other things
If you just don't care

Yeah you can dance
If you wanna do it
If you wanna do it
Yeah you can dance
Put your body to it
Put your body to it
It doesn't matter 'bout the things you do
And no it doesn't matter 'bout the things you say
Yeah you can dance
If you wanna do it
Put your body to it
And dance
