I'm Trying to sleep but my eyes just won't close  
I just keep thinking of you, alone in that big apartment  
Your heart is weak like a lonely rose  
I bet your already away to work, but your lack of  
independence's  
catching up to close

(Chorus)

If you're running your life alone, you could die alone  
We don't survive alone. Therefore we won't die alone  
I'm not alive alone. I won't die alone  
You're running your life alone, but I won't let you die  
alone

Cuz if you catch yourself crying in your sleep  
You better take control and grab hold of your needs  
Ohh!  
And if you feel that your screams are bouncing of the  
walls  
You'll know it's time to pick up the phone and call!

Your mind has collapsed, since he's been gone for  
seven months  
I know your ways to avoid your friends, but I'm more  
than a friend  
I wont give up for once.

(Chorus)

If you're running your life alone, you could die alone  
We don't survive alone. Therefore we won't die alone  
I'm not alive alone. I won't die alone  
You're running your life alone, but I won't let you die  
alone

Cuz if you catch yourself crying in your sleep  
You better take control and grab hold of your needs  
Ohh!  
And if you feel that your screams are bouncing of the  
walls

You'll know it's time to pick up the phone and call!

If you're running your life alone, you could die alone  
We don't survive alone. Therefore we won't die alone  
I'm not alive alone. I won't die alone  
You're running your life alone, but I won't let you die  
alone  
If you're running your life alone, you could die alone  
You're running your life alone, but I won't let you die  
alone
