Thick tears are falling, between protecting fingers
From her red tainted eyes
Is the heart a construction? Shaped to be destroyed?
Do you have the answers my dear?

You drove it away, blew it away. Gone forever!
Thrown aside, burned alive, the memories we had
You blame it on me, I couldn't see
The moments we shared. Will never come again!

(Chorus)

It drives me mad. The sound of
raindrops crashing to the ground
The memories are to my soul forever bound.
My happy thoughts were but never found
I'm Mad!

Can a heart be broken, even if it's not beating?
Even if it's cold and destroyed
Is love an imagination, just to keep us framed?
Do you have the answers my dear?
Does it matter anyway? Let's face it, it cannot be?
There's just an empty soul who wants to be free

(Chorus)

It drives me mad. The sound of
raindrops crashing to the ground (I'm Mad)
The memories are to my soul forever bound. (I'm Mad)
My happy thoughts were but never found
I'm Mad! (x2)
