Codail suan, mo chadra bh?n, codail s?mh, a mhuirn?n
mhillis,
Luigh go ci?in sa chliabh?n,d?n do sh?il, a leanbh dh?
lis.

R?alta geala anocht ag luascadh ins an sp?ir, fuaim na
coille agus ceol na ho?che;
F?g uait an olag?n, n?l g? ar bith leis cho?che.

English Translation:

Sleep soundly, my white lamb, sleep deeply, my sweet
darling,
Lie quietly in the cradle, close your eyes, my faithful
child.

Bright stars tonight are rocking in the sky, forest-
sounds and night-music;
Leave aside your lamenting, there is no need for it
anymore
