Just free Style Straight up the men thought
 Because I read the shit it just get better
 And then I come from the mike because you know I'm
 the jet
 I just from "Hollywood" makes you know that we good

Just got the style and it so versatile
 And then I rock the microphone and make you go wild
 Because I'm just Rashid I give you what you need
 Rip me Nigger up and the break in the next bit

If you know what I'm talking about
 I'm from the East to the north to the west and the south
 And don't forget the east because we not the least
 So we come to the mike and make it our release

You shine you fine and everybody know one more time
 When I kick check it out
 Because I'm hit you with this
 Time to flow I go and let him know how running this
 show
 Check it out because we are in the house yooo

Esta acontecendo com o mundo e ninguã©m vãa,
 sã£o coisas que eu vejo dia a dia na TV os militares
 fazendo as guerras matando as famãlias por um
 pedaãso de terra pergunto a vocãas onde o mundo vai
 nos levar, no debaixo no de cima de qualquer lugar,
 pedindo para que na terra coloque a paz para que
 nã£o tenha violãncia nunca mais!
