You only live twice or so it seems
One life for yourself and one for your dreams
You drift through the years and life seems tame
Till one dream appears and love is it's name

And love is a stranger who'll beckon you on Don't think of the danger or the stranger is gone This dream is for you, so pay the price Make one dream come true, you only live twice

And love is a stranger who'll beckon you on Don't think of the danger or the stranger is gone This dream is for you, so pay the price Make one dream come true, you only live twice Make one dream come true, you only live twice You only You only live twice
