He's the centre of attention
Everywhere he goes
Loud noises, keep it up
He's the man that everybody knows

But he ruins everytime
Because he tries to hard
But he ruins everytime
Because he tries to hard

He's the master of defences
Every angle covered by scope
He used to be handsome
He changed and his friends couldn't cope

He's the centre of attention
Everywhere he goes
Loud noises, keep it up
He's the man that everybody knows

How dare you
How dare you
How dare you
How dare you

We make it, we make it
We make it hard for you to cope

We make it, we make it
We make it hard for you to cope

We make it, we make it
We make it hard for you to cope

We make it, we make it
We make it hard for you to cope

How dare you
How dare you
How dare you
How dare you
