He bought her a ticket but she wouldn't take it
Back to her home but she would've hated it
A perfect lover and they're both the same
Take the ticket and nothing will remain

Ticket ticket ticket ticket!

She read all the books, she loved all the books
He read half the books
It doesn't matter 'cos he couldn't understand
A single word in any of them

(Of them)
He couldn't understand any of them
(Of them)
He couldn't understand the words
(x4)
Of them

He bought her a ticket but she wouldn't take it
Back to her home but she would've hated it
