Jailbait playmate  
Freak show masturbate  
Fuel inject carburete  
Underage penetrate

Mama take me home tonight  
Mama take me Home

Dragstrip, she's a superstar  
She's got a tight fit, She's gonna make it far  
Dragstrip, she's so supercharged  
She's got loose lips, she's a superstar  
Superstar  
Black cat cabaret  
Dancin down the alleyway  
Doomsday runaway  
Money shaker on display

Mama take me home tonight  
Mama take me Home

(chorus)

Does your daddy know now  
What you show and tell now  
Does he wish you well  
On your trip through hell  
Can't run away on the runway

(chorus)
