Did you want it this way
Breaking us down a little at a time
Is it easier now that I'm not around
Is it time to draw the line

Well, we don't have to pretend
That it's a Hollywood ending

Leave it to me
To act like a fool begging you to come back
When I had you I had everything
And now all I have is this photograph

There's nothing here to defend
it's not a Hollywood ending

You don't have to go
No, you don't have to go
You could've been the star of
My show anytime
No, you don't have to go The trouble with you
The trouble with me
We ain't meant to be

Well, we don't have to pretend
That it's a Hollywood ending

Another Hollywood ending
it's not as bad as it seems
A Hollywood ending
it's hard to give up your dreams
Another Hollywood ending
All that glitters will fade
A Hollywood ending
Just like the promise you made
Another Hollywood ending
Did you want it this way
