Little old man contemplates suicide twice a day.
Life's passed him by.
Little old woman scared and blind, left alone in
desperate times.
Life's passed her by.

Oh, life, it's misunderstood them, so they close their
eyes and dream of better
days.
Oh, life, it's misunderstood, yeah.
Life's not always fair, or so they say.

Little boy with vacant eyes, daddy won't be home
tonight.
And he don't know why.
His mother, she sits alone tangled in the web she's
sewn.
Lives lie to lie.

Oh, life, it's misunderstood them, so they close their
eyes and dream of better
days.
Oh, life, it's misunderstood, yeah.
Life's not always fair, or so they say.

Strangled, caged, left alone, doin' time in a broken
home.
Feelin' left to die.
I'm a product of your troubled ways.
You made me what I am today.
Now you're asking why.
Oh, life's misunderstood me, so I close my eyes and
dream of better days.
Oo, life's misunderstood me.
Life's not always fair, life's not always fair or so they
say.
or so they say.

Restless soul deep inside searches for some piece of
mind.
Livin' just to die.

I'm an angry man and I always have had to fight to
survive my past.
A sign of those times.

Life, it's misunderstood me and I know you know that
you've been there too.
Time lets a restless soul fade away.
Life's not always fair, life's not always fair, or so they
say.

Little boy with hopeful eyes, daddy's comin' home
tonight.
So don't you cry. So don't you cry.
So don't you cry. So don't you cry.
