I've been out drinkin with the boys again
Sorry I'm calling after 2 a.m.

There's something that I need to say to you
I know it's late
But this can't wait
I just got a new tattoo

One love, one woman
You're my new tattoo
Tonight is the very first night of my life with you
Until the day I die
I promise it's true
Everyone will see my new tattoo
Tonight I saw your face up in the stars
Stumbled here to paint you on my arm
There's something that I need to say to you
So I wrote this song
Cause you belong
Right here on my new tattoo

(chorus)

I don't want to see us fade away
I don't want to be without you another day
I could be your Dorian Gray
I won't fade away
No, I won't fade away
