I said dance, I said prance  
Sleazing in like a monkey  
That's cool, I say it's gross  
Honey so damn funky  
Dance to the rhythm  
Jungle music rhythm  
So primal, animal  
Tearing down the gown  
Striped with such a strip  
She's a winner's rockshot  
She don't give up, no  
No she don't give a shit

Hey hey hey  
She's a rock 'n' roll junkie  
That's how she gets her kicks  
The way she licks her lips  
It's how she gets her fix  
Another midnight monkey  
How'd she get those kicks  
Just a rock 'n' roll junkie  
I'm a wildcat  
I can't scratch  
Nice to feel the wind's draft  
Standing in the music  
Dirty dirty music  
Dancing on the edge  
She likes it that way  
(She loves it that way)  
She loves it baby

Hey hey hey  
She's a rock 'n' roll junkie  
That's how she gets her kicks  
The way she licks her lips  
It's how she gets her fix  
Another midnight monkey  
How'd she get those kicks  
Just a rock 'n' roll junkie

She likes it that way

She loves it baby, hey hey hey
