[PC Speaker:]

Yo, yo. That was our album. We hope you liked our album. We think it was a pretty good album. And now, we'd like to thank the following:
Jack In The Box... Sparks... Slashdot... My mom, and my mom's mom.
Peter Gabriel. Jeff Bridges, aka, The Big Lebowski.
Craig from Craigslist. That guy, the guy who made BitTorrent.
Stefan Gruber... Something Awful, and the Something Awful forums.
Dokken, keep on dreaming, motherfuckers.
We'd like to thank chocolate milk, and the Raindon, R.I.P. - Rest In Peace.
The Kallus Unclez. The Wu-Tang Clan.
And who could forget Bungie and Blizzard.
We wanna thank pre-Columbine KMFDM. And Dr. Emmett Brown.
And NPH, aka Neil Patrick Harris, aka Doogie Howser.
We wanna thank the Golden Girls, and Patrick Stewart, and Brent Spiner, and LeVar Burton.
Rest in peace, Notorious B.I.G. and O.D.B. and SuperNova.
And rest in peace SEGA, Kevin Mitnick.
Rest in peace Dave Murphy, Kate Libby, Lord Nikon.
And rest in peace Razor and Blade.
We'd like to thank Rocko's Modern Life. Bumba and Jaye. CSI Miami. Mozilla Firefox.
We'd like to thank Bumpernuts.
And we'd like to thank internet bitches who been showin' us they titties.
We would like to thank Law & Order: Special Victims Unit. Coaxke: Mariska Hargitay!
And Dennis Hopper, we'd like to thank.
We'd like to thank internet porn, and the Fuckingham Palace.
We'd like to thank Bang Bus, and Slick Rick.

[Coaxke:]

Yo, don't forget Emporium!
Yo, I'd like to than Shure, Propellerheads.

Yo, I got a shout-out for Zorba, and Wevah, and Weev.
LJ Drama, Jameth, Yo, Hep, Girlvinyl.
Encyclopedia Dramatica, yo bantown, muthafuckas.
Ya'll I wanna give a shout-out to Steve Jobs.
Cause dude, his nuts... his nuts is like as big as... my
house. And I got a big house.
I wanna, I wanna thank parmesan cheese. 'Cuz it
tastes... so, so good.

[Recycle Bin:]

Alright. Check it out.

I wanna thank A Drow Ranger, for keeping the Mafia
tight.

Gary Coleman's mom's pussy. Pudge Brothers Pizza.
MC Slice-A-Lot.

The Bit. All the skeebs are the Northgate Mall. Jennifer
Love Hewitt's cleavage.

The Inspiration Chest. Biz Markee, yeah I know we
butchered your song.

Shoutouts to all the local Graff writers. Your moms...

The Mario Brothers.

Ben Browder. Richard Dean Anderson. James Spader,
he was the bomb in Supernova, yo.

Bea Arthur, you know you fine. All my Dagerspine
homies.

Tina, we wanna see your titties. C-Lo, and let's not
forget your mom.

[Subrandom:]

Yo, I wanna give shoutouts to Mantis, SeaQuest, the
whole old school lineup.

Wanna give shoutouts to Hard-OCP, Engadget,
Gizmodo.

The Phantom game console, we're still waitin' on ya,
baby. We're still waitin'.

The Taco Truck, Mongoose IPA, that game Seaman.

Oh and that bass fishing game, that shit was hot.

I wanna give, give a s... give thanks to Courtney, for
bringing us fuckin' Taco Bell when was all too drunk to
leave the studio.

Seagate Harddrives, SNES9x, Nesticle, y'all keepin it
real.

Yo, Old Peculiar? All them fools in the studio keepin'
them lulz goin'.

Beth's Cafe. Peter Venkman, from World of Psychics.
Fuckin', Albuterol.

Power Gloves, Power Pen, that fucking Nintendo robot
that cut my god damn finger.

Yo man, that shit is real. I'll give a shoutout to fuckin'...
Fuckin' PC Speaker for writin' my "If I Ruled The World"
verse.

Yeah man, you keepin real for our people. Let's just keep it goin', man.

[BonzoDog:]

I dedicate this performance to the lovin' memory of Microsoft QBasic. Keepin' it real.

[PC Speaker:]

Yo man, this PC Speaker again. I love you Subrandom.

Will you marry me? In a club? We can make babies, they got technologies,

so two dude's sperm can be one baby, yo.

Yo we done forgotten somebody up in here!

Y'all nerd, please nerd. Nerd I got be talkin about

Motherboard up in this piece, man!

I ain't- you know what I'm sayin'?

Motherboard... It's for recordin' them vocals.

Yo mobo... mobo...

Aight man and we want to shout out nuclear bombs and

shit mang to the piece... We be up on out on this,

jizizoint, boy, fofeezle.
