[PC Speaker:]

Fuck kilos - I measure milligrams
percocet, xanax and diazapam
Why you coppin rock from wanna be thugs?
don't you know that us nerds have the best drugs
because
Hallucinogens, they open up your your mind's eye
LSD, 2C-B and 2C-I
5-MEO-DMT all up in this
the possibilities we have are endless
If there's ruckus I ain't the one who brought it
because I just dropped some sedative hypnotics
Wyeth, astrazenica and pfizer
in the labratory cookin up tranquilizers
Get your lean on - that's codeine
opiates from vicodin to morphine
Go to erowid - and have a look
yo Coaxke, take us into the hook

(CHORUS x4)

[Coaxke:]

Hack into your brain like a chemical black hat
Game Genie but for life, fuckin haters call it hazmat

[Recycle Bin:]

I'm gonna fuckin fly tonight
Dude I'm gettin really fuckin high tonight
Eat a pound of candy, shit, I just might
I'm seein the world from such a wonderful height
The marijuana circle's such a magical place
cleaned that whole bag, we didn't leave a trace
Turn that shit up, I wanna feel the bass
so lifted it's like I'm in outer space
Make us up a pot of poppy head tea
drink that shit down, trust your favorite emcee's
Get yuh brain sizzlin with the mad euphoria
if you don't believe me then ask that bitch Gloria
Started perpendicular, now you're leanin real low
like the number of votes for Ross Perot
Gettin mad dusty with these pills I be crushin
Fuck this shit - yo Speaks, pass the tussin

(Repeat CHORUS x4)

[PC Speaker:]

I'm not a player I just crush a lot - of pills

I'm not a player I just crush a lot - of pills

Coaxke: Guys, it's like the song already exists - it just
has to make its way through us

PC Speaker and Recycle Bin: I told you I was hardcore

(sound clip)

Lady: That's why I give my kids Kidstone Chewable

Valium!

(Repeat CHORUS x4)
