Bless the weeds that grow on the yard  
Just like rain and dust appear  
Bless the dogs who talk to ferns  
Let's, let's kiss the boys who pee in mud

Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh

Bless the weeds that grow on the yard  
Just like rain and dust appear  
Bless the dogs who talk to ferns  
Let's, let's kiss the boys who pee in mud

Kiss the girls who clean the cheese  
Bless the bee that clings and then leaves  
Kiss the hart who spread manure  
Here, go go smear the poison ivy  
Let your crooked hands be holy

Bless the does who got too fat  
Bless the bee that clings and then leaves  
Kiss the hart who spread manure  
Go go smear the poison ivy  
Let your crooked hands be holy
