(C. Wonderland Music Company, Inc.)
Whenever we're walkin' together
I know I'm not wastin' my time
'Cause all I see is sunny weather
And the future just looks so bright
Without a doubt, you're the only one for me
You've got to believe
Can't live without
A love that comes so easily
(That's the way it's supposed to be)
CHORUS
You know we got a
Cool love
You're always on my mind
Cool love, baby
You keep this heart so satisfied
Cool love
You're always on my mind
Cool love, baby
You keep this heart so satisfied
I never knew I was so lonely
Till you opened up my heart
I want you to be my one and only
(my one and only)
Never want to be apart
(Repeat second verse)
(Chorus)
Cool, cool love, baby
Cool love
Cool, cool love, baby
(Chorus repeats until fade)
