(C. Walt Disney Music Company)

Step, yeah

(Repeat)

Get your thing together

Step to the rhythm (come on)

Step (come on)

Step to the rhythm, step to the rhyme

Get your thing together

Do that dance, don't stop till you're sweaty

Here we go, one, two are you ready?

(Yeah!) What? (Yeah!) What? (YEAH!)

Well then, show your stuff

On the dance floor is where you need to be

Don't say nothing, just listen to G

Try the styles, I know that you can fit 'em

Everybody in here, step to the rhythm

CHORUS

Step to the rhythm, step to the rhyme (what?)

Step to the rhythm, step to the rhyme (what?)

Step to the rhythm, step to the rhyme

Step

(Repeat)

You gotta take the very first step

If you wanna get where you wanna go

You gotta be the leader of the pack

If you wanna be the one to run the show

(Chorus twice)

The groove is smooth, as quiet as kept

You wanna be a leader, then take the first step

Nothing to lose, so why should you care?

Just get out there and vacate your chair

Relax your mind and let your soul unwind

Open your ears and they can check the rhyme

Competition-I gotta get with 'em

But for now, just step to the rhythm

(CHORUS)

You know you got nothing to lose

So, get with the groove, leave your cares behind

The only thing you got to do

Is feel the rhythm move and have a good time

(Chorus Twice)

Step to the rhythm
Step to the rhyme, etc.
(Repeat)
You gotta take the very first step
If you wanna get where you wanna go
You gotta be the leader of the pack
If you wanna be the one to run the show
(Chorus repeats until fade)
