I am lost and  
I am sad and  
Looking for relief  
I'd be better  
If I thought that  
You'd be haunting me

I have always  
Been afraid of  
What I cannot see  
But I would take you  
Anyway  
I miss your company

And if you came to me  
When I was asleep  
I would believe  
As in a cheap movie  
If you haunted me  
I would believe

I have never  
Asked for this if  
I could have  
One spooky wish  
I'd wander through  
Cold darkened rooms  
And wait for you  
To find me

And if you came to me  
When I was asleep  
I would believe  
As in a cheap movie  
If you haunted me  
I would believe
