We're standing
We're not moving, but the world goes 'round
The beginning
Is almost over, when we'd all fall down

Woah oh, woah oh, woah oh oh
Tell me when it all falls down
Where do we go? What do we know?
When it all falls down
And the love that you showed is the love that you're
owed

Woah oh, woah oh, woah oh oh
Woah oh, woah oh, woah oh oh

I'm sorry
For all the wrong I never meant to do
I'm worried
That I'll never make it up to you

(But tonight)
Let's relight the old flame
Let's forget the past
Let's look forward to the future
And how we gon' make it last
(And tonight)
Let's party tonight and go crazy
I think we should party for days
And we won't ever stop cause our love's on time.

Tell me when it all falls down
Where do we go? What do we know?
When it all falls down
And the love that you showed is the love that you're
owed

Woah oh, woah oh, woah oh oh
Woah oh, woah oh, woah oh oh

Tell me when it all falls down
Woah oh oh

When it all falls down
Woah oh oh

Tell me when it all falls down
Where do we go? What do we know?
When it all falls down
And the love that you showed is the love that you're
owed

When it all falls down
When it all falls down
When it all falls down
When it all falls down
