"Beautiful Day"

The heart is a bloom, shoots up through the stony
ground
There's no room, no space to rent in this town

You're out of luck and the reason that you had to care
The traffic is stuck and you're not moving anywhere

You thought you'd found a friend to take you out of this
place
Someone you could lend a hand in return for grace

It's a beautiful day, sky falls you feel like
It's a beautiful day don't let it get away

You're on the road but you've got no destination
You're in the mud in the maze of her imagination

You love this town even if that doesn't ring true
You've been all over and it's been all over you

It's a beautiful day don't let it get away
It's a beautiful day

Touch me take me to that other place
Teach me I know I'm not a hopeless case

See the world in green and blue, see china right in
front of you
See the canyons broken by cloud,
see the tuna fleets clearing the sea out
See the bedouin fires at night, see the oil fields at first
light
And see the bird with a leaf in her mouth,
after the flood all the colors came out

It was a beautiful day
Touch me take me to that other place
Reach me I know I'm not a hopeless case

What you don't have you don't need it now
What you don't know you can feel it somehow

What you don't have you don't need it now
Don't need it now
