He could hear the raindrops fall to the ground,
as he turned around to sleep.
It have been two days since the phone had made a
sound,
I guess its where it cuts too deep.

Ohhhh
As the soft rain touched the ground,
ohhh
He though of what he said,
Ohh
He remembered her reaction like an ecco inside his
head.

Ref;
It doesnt matter if you go,
with or without you, I carry on.
As you can see, my tears have dried.
And I know that you know why.

He sit up against into the bedroom wall,
as the night turned into day.
It had been five more days and not a single call,
it wasnt meant to be this way.

Ohh
As he face another morning
ohhh
he though of what he said,
Ohh
He remembered her reaction and all the tears she
shared.

Ref;
It doesnt matter if you go,
with or without you, I carry on.
As you can see, my tears have dried.
And I know that you know why.

So many times he wished he never said it,
why did he let her go?

Well, its too late to regret it,
when shes gone without a trace, how was he supposed
to know?

Ref;
It doesnt matter if you go,
with or without you, I carry on.
As you can see, my tears have dried.
And I know that you know why.
