This is your night
Everything is right
Come and light up my life
It's a summer night
This is your night
Come and hold me tight
Yes you are the one
It's a summer night
... la la la la
Its a summer night
Oh la la
Teeny weeny string bikini
This is your night
Everything is right
Come and light up my life
It's a summer night
This is your night
Come and hold me tight
Yes you are the one
It's a summer night
It's a hot night
I come from playa
I'm feeling good
And i want to partaya
I hear the kongas, mm
I feel like fire, ah
My party mood is getting higher
When the lights go out
There is no return
Darling show what you can do
I want your body next to mine
Oh la la
Teeny weeny string bikini
This is your night
Everything is right
Come and light up my life
It's a summer night
This is your night
Come and hold me tight
Yes you are the one
It's a summer night

It's a summer niight
Oh la la
Cha cha cha
Oh la la
Summer nights

I saw you body
I saw your lips
I saw you dancing and moving your hips
You have a sunburn
Like chokolada
It's you, me and pina colada
When the lights go out
There is no return
Darling show what you can do
I want your body next to mine
Oh la la
Teeny weeny string bikini
This is your night
Everything is right
Come and light up my life
It's a summer night
This is your night
Come and hold me tight
Yes you are the one
It's a summer night
Summer night
Oh la la

Cha cha cha
Oh la la
Summer nights
This is your night
Everything is right
Come and light up my life
It's a summer night (everything is alright)
This is your night
Come and hold me tight
Yes you are the one
It's a summer night
Oh la la
Teeny weeny string bikini

Everything is right
Come and light up my life
It's a summer night (oohohoh)
