Love U Hardcore by Gabber Piet
Gabbers, all unite!

Oh yeah, raving in, come

I wanna rave on all night with you (Say what?)
I wanna rave on all night with you (Say what?)
I wanna rave on all night with you (Say what?)
I wanna rave on all night with you (Say what?)

I, I, I, I, I, I, I, I
I wanna rave on all night with you
I, I, I wanna, I, I wanna
I wanna rave on all night with you

We love you hardcore, we do
We love you hardcore, we do
We love you hardcore, we do
Oh, hardcore, we love you (All together now!)

We love you hardcore, we do
We love you hardcore, we do
We love you hardcore, we do
Oh, hardcore, we love you

Jump to the beat, kick to the beat, move to the beat

Oh, yeah, raving techno

What do we love?

We love you hardcore, we do
We love you hardcore, we do
We love you hardcore, we do
Oh, hardcore, we love you (Once again, y'all!)

We love you hardcore, we do
We love you hardcore, we do
We love you hardcore, we do
Oh, hardcore, we love you

I wanna rave on all night with you
I wanna rave on all night with you
I wanna rave on all night with you
I wanna rave on all night with you

Oh yeah, gather forcing
Are you enjoying this trip?
Yeah, who loves the hardcore?
We do!

Gabbers, all unite
Every city side by side
The hardcore scene, one family
To party all night long with me

We love you hardcore, we do
We love you hardcore, we do
We love you hardcore, we do
Oh, hardcore, we love you (All together now!)

We love you hardcore, we do
We love you hardcore, we do
We love you hardcore, we do
Oh, hardcore, we love you (Say what?)

We love you hardcore, we do
We love you hardcore, we do
We love you hardcore, we do
Oh, hardcore, we love you

I, I, I, I, I, I, I, I
I wanna rave on all night with you (Say what?)
I, I, I, I, I, I, I, I
I wanna rave on all night with you (Say what?)

I, I, I, I, I, I, I, I
I wanna rave on all night with you
I, I, I, I, I, I, I, I
I wanna rave on all night with you
