There goes a train
I don't know why
I'm sitting here and I wave good-bye
I'm sitting and sitting there
And the train comes from somewhere
There goes a train
Nobody knows if it runs or if it goes
The train moves fast
More than a boing
And I don't know where it's going
There comes the trainman
He looks like rayman
In his dark blue uniform
The trainman wants to see my ticket
I say "I have to try and pick it"
Auf from my pockets but I can't find it
And I wonder where it is
I said "Please trainman, give me some time
I have to search my suitcase through"
(Refrain)
Please Mr trainman
Let me go
Let me go I'm not so bad
I have forgotten to buy a ticket
And I don't want to become a prisoner
Oh please Mr trainman
Let me go
Let me go please believe in me
It was the first time
And also the last
And the train is running fast
There goes a train
Nobody knows if it runs or if it goes
The train moves fast
More than a boing
And I don't know where it's going
I said "Please trainman give me some time now
I have to search my suitcase through"
He says "Ok, you have two minutes
And I hope you'll be find it then"
I search and search

Through all I think it's in
But the ticket is not there
The trainman says "You are a lyer
You are not a ticket buyer"
(Refrain)
Please Mr trainman
Let me go
Let me go I'm not so bad
I have forgotten to buy a ticket
But I don't want to become a prisoner
Oh please Mr trainman
Let me go
Let me go please believe in me
It was the first time
And also the last
And the train is running fast
Oh dear Mr trainman
Let me go
I 'm a brave guy
