I see you there,
Baggy pants and flowers in your hair
Pockets full of poppy seeds
You're smiling there
You're wearing your beads
But I'm anticipating something of a wild child
To be revealed.
If only I could steal one glimpse of your loveliness,
Your fiery lioness
I'd be satisfied.
You know that I want you
So would you please allow?
There's never been a better time than now.

Looking so sweet so innocent,
You could fool the sharpest eyes
But I'm not so ignorant
Of what it is you try to hide.
We're all just creatures on a rolling ball off course.
Of course we need the love.
Let me tell you I've got love,
You've got love,
We all got it baby.
Ooh sometimes it's hard to see but
I will guarantee it's there.
You know that I want you
So would you please allow?
There's never been a better time than now.

Some days I get a little crazed
Thinking about the ways
That you amaze the hell out of me.
And then the time it passes by
Like southbound birds in a winter sky
And I face forward and wonder why, wonder why.

You know that I want you
So would you please allow?
There's never been a better time than now.
There's never been a better time than now.
