(talking)

Big, because it's recording loc

Oh boy, oh boy, you say you want to grow up to be as  
big as me

It ain't nothing but grown men up in here, it's on, oh boy

(Chorus)

We duez it big - 8x

[Diamond]

Now you'd never be as big as me, stop trying

All you flees and flies get sprayed with ?

I'm humoungus, the milimeter I'm the dungeon

Rap be running, some cats before they saying  
something

Enormous, obese, blessed with major folks too

Fat, big, heavy weighted top knotch making major  
moves

Pocket size, ring that has the big top

Big is how we do it popping collars and it won't stop

(Chorus - 8x)

[Wee]

Enormously, how could it be, larger than life

Off in the club thorough the streets, we living it trife

Big top with big choppers, like circus tents

A mob, not an inch, get your pound just to get bent

Crack a fifth, while you at it, you make a dollar

Get crunk, watch them follow, all holla

So boss up, talk something, get tossed up

Stay flawless, Gun City, it's locked up

[Sleep]

Young black boy, ha, you didn't know

Fuck around with the Gun City we 2-3-1-0

We flip wigs, partner, we duez it big

How you pop your collar, partner, we duez it big

The world beats, player, we gaining weight

A half of side of beef on a platinum plate

Iced down, fat like a till of the hun

Like a wrist cut, we'll have a nigga done

(Chorus - 24x]
