talk to me softly  
there is something in your eyes don't hang your head  
in sorrow  
and please don't cry

I know how you feel inside  
I've been there before something is changin inside  
you and don't you know

Don't you cry tonight  
I still love you babe  
Don't you cry tonight  
And don't you cry tonight there is a heaven above you  
baby  
and don't you cry tonight

Give me a whisper  
give me sigh give me a kiss before you  
tell me goodbye  
don't you take it so hard now  
and please don't take it so bad  
I still be thinkin of you  
and the times we had baby

Don't you cry tonight  
don't you cry tonight  
and don't you cry tonight there is a heaven above you  
baby  
and don't you cry

And please remember  
that I have never lied  
And please remember how I feel inside now honey  
you gotty make it your own way  
but you be alright now suger  
you feel better tomorrow come the morning inside now  
baby

don't you cry
