I didn't notice that you cut your hair,  
I didn't notice that it was blue,  
I didn't notice that you pierced your tongue,  
I don't recall the dress you wore the day I met you,  
I almost missed your birthday once again,  
Your sister called me just in time,  
I forgot to wipe my muddy shoes,  
You get so pissed when I track around the grime,  
This is but a test,  
This is just a trial run,  
You can still push reset,  
Trade me in for a better one,  
Sometimes I'm a dick I'm a rabid hockey fan,  
All I can promise is I'll do the best I can,  
I forgot to pick you up on time,  
And I forgot to pay the bills,

I forgot to put the seat back down,  
Sometimes my drinking buddies take your favorite pills,  
You can't say I don't bring you flowers anymore,  
Because I don't bring them any less,  
And I don't take you to your favorite store,  
Cuz I don't have the money to buy your favorite dress,  
But I work and I try,  
I'm not as big a jerk as every other guy you ever liked,  
you ever knew,  
Once in a while I go with you to buy new shoes,  
But I work and I try,  
I'm not quite as big a jerk as every other guy you ever liked,  
you ever knew,  
Sometimes I break down and take you to the zoo
