The flowers are dying

As time passes by

Why wont you ask me

I don't know why

Chorus

What I really need

Is your love thats all

And once I get it

Into you hands my heart will fall

I know that you like me

Don't deny it, it's true

All I need now

Is something from you

Chorus

What I really need

Is your love thats all

And once I get it

Into you hands my heart will fall

Just say those words

And it'll be alright

Don't be afraid

It wont take all night
