I love you and you love me too

And you know that I just do

So tell me again I can't remember when

Was the last time we tried to let it end

And our love is just so strong

I know with you is where I belong

Cause no matter how we try

We just can't say goodbye

Cause you are for me

And I am for you

Chorus

We belong together

Just you and I forever

Like the sun in the sky

It's eternity so high

Even sea birds can't fly

All the heart aches i've had

Are just things of the past

Cause nothing can keep us apart

But our love is just so strong

I finally know where we belong

And no matter how we try

We just can't say goodbye

Cause you are for me

And I am for you

Chorus

We belong together

Just you and I forever

Like the sun in the sky

It's eternity so high

Even sea birds can't fly

All the heart aches i've had

Are just things of the past

Cause nothing, oh, nothing, nothing can keep us apart
